Hi my name is Millie. I was just taking my morning walk down the street and I saw a lost dog from the corner of my eye.

“OH NO” I cried to the dog. Suddenly I heard something. Something big it was the..........

BIG BULLY FROM MY SCHOOL!!!!!!!!!!!!!!!!!!!!

I tried to hide but I was too LATE. “What are you doing” said JACK the big bully “well I am helping this lost dog” I said a fright. “Did you know that dogs are hopeless?”

“NO THERE NOT” I yelled in a very loud voice. “Hey you cannot yell at me” I replied. “Why can I not yell at you?”
“You better have an answer.”

“Well I……. I do not have an….”

“If you do not have an answer I will do some think to you and you will not like it.”

“Well I am going to be a very brave girl.”

So I turned away and went home. My friend walked me home so I said “thank you.” Her name was Zoe and my name is …Millie, you should know that I said it at the start. So I went home and had a snack. Did you know my house number is…………..72!!!
