BIRTHDAYS
Happy birthday this week to Maddie Hill. We hope you had a great day!

CONGRATULATIONS NETBALLERS
The grade 5 netballers, alongside their Whitfield teammates, finished the season in great form.
In the second last round a shortage of players saw a couple of Whitfield boys filling in and helping secure a win.
The final round saw them fight hard in a great game for a well-deserved win against the top side but narrowly missing out on a finals spot.
Great finish girls, well done and looking good for next year!

HOT LUNCHES
If you would like to bring in a hot lunch please make sure that it is wrapped in foil and CLEARLY named. Hot lunches are running on Tuesdays and Thursdays ONLY!

FOUNDATION 2015 TRANSITION DAY
All 2015 Preps are invited to attend our first Transition Day on Wednesday 3rd September from 9 am to 11.30am. You will spend the morning with Mrs Batey and the current Prep students. More information to come!

PRINCIPALS REPORT
Resilience of the best life skills that we can have in life and depending on what is happening at any particular point in time can depend on our resilient threshold. If you are resilient you are able to cope reasonably well with difficult situations and things that go wrong and then ‘bounce back’. Throughout life children will need skills and attitudes to help them to bounce back. They will encounter everyday challenges such as making mistakes, falling out with a friend, moving house or school and losing in a sports competition. Many will also face challenges such as adapting to family break ups, a stepfamily, the illness or death of a family member, or being bullied.
After talking to some colleagues in Melbourne and Geelong they have all recommended a presenter that they have recently had at their
schools and said that their students, staff and parents gained a lot from hearing him talk. We have been lucky enough to secure Hugh on the 20th October for both a staff professional development and also a parent professional development session. As we are holding this event as a cluster event we have decided to hold it at Milawa Primary School as it is central to all cluster schools. Please put Monday 20th October down in your diaries. The presentation will start at 7:00 pm and go for 1 hour & 40 minutes. I have attached a flier about Hugh’s presentation to this newsletter.

SUMMER BULB FUNDRAISER
There is still time to get your bulb orders in. Please return TOMORROW!!!!!

UPCOMING EVENTS FOR STUDENTS
August and September look like they are going to be fantastic months for the students at school with plenty to look forward to.

Snow Trip
I’m really looking forward to this year’s snow trip and the reports are that the conditions are excellent at the moment. Fingers cross that it keeps on snowing. We can see Wednesdays forecast and there is SNOW!!!! Thank you to all of those who have paid for this trip. Day One is $74 for students and $74 for parents and Day Two is $82 for students and $82 for parents. This excursion must be paid in full before attendance so please see Jaye ASAP.

Thank you to our parents that are joining us:
Day 1

Day 2
Jean Box & Jason Leask

Anglesea Camp
Thank you for returning all forms that are required. The countdown is on only 19 more sleeps!

TUESDAY WALKING GROUP
Thank you to Pam and Jo for starting our Tuesday walking group. It was great to see a few parents head off down the Snow Road.

At this stage we are trialling Tuesday and if by popular demand another day suits everyone then we will look at moving it or maybe even running it on two different days. Meet out the front of school at 2pm with your runners on. Prams and little ones are welcome to come along on the walk.

HELPERS NEEDED!!!!!
Sam Miranda Car Parking Attendants
