PRINCIPALS REPORT

Last week we had a very productive School Council meeting which is now attended by our school leaders. Our leaders open each meeting by giving the school councillors a summary of the learning taking place in our classrooms. They also discuss any new initiatives that they are currently running in the school and any issue that may need addressing.

A down ball competition was run by our captains last week and everyone who participated in the competition had a fantastic time. An added bonus to the competition was the fact that the winning teams received prizes. Rori (with the support of other students) is also currently running dance classes on a Wednesday and Friday with the goal of presenting this dance by the end of the term. Well done to all the captains and the fantastic job that you are doing this year leading your peers.

Enrolments 2016 & 2017

We are currently actively promoting Oxley Primary School in the community and are looking at confirming any prep enrolments for next year as well as in 2017. We currently have 7 preps enrolled for 2015 and 7 already on our list for 2016. We also have a number of parents from other schools with students in a number of year levels that have expressed an interest in maybe coming out to Oxley which we are hoping to confirm over the next month. Many of the parents have come to the school as Oxley Primary has a fantastic reputation in the community thanks to the wonderful work that all of the staff are currently doing, and have done over many years.

If you know of anyone still looking for a school for their child then send them in for a tour.
