

## A message from the School Captain Harry Cook

I just would like everyone to remember we are all in this together. We are all in lock-down so we can come out the other side of this pandemic, healthy and safe.

We must remember we have so much to be grateful for in these times. We have a home to live in, fresh food, clean water and the most important of all family. As we all know the going can get tough at times, this is time to take a step back and reflect on all of the good times and magic moments we get to spend together.

We must all truly appreciate the dedication and commitment of our teachers as they are also going through tough times as well with the constantly changing times.

We are all looking forward to the return of school and seeing our friends as this is one of the things we all miss the most.

Remember - Always be kind to each other and I look forward to seeing everyone real soon.
